THE ADVENTURE TRIBE

Outdoor activities in a single full-day adventure. It is truly a life changing experience! Fly over the treetops on the Yucatán's favorite zip line circuit.

Challenge yourself crossing the Skywalk rope course and get your adrenaline pumping with a crazy bungee jumper, before feeling like a superman as you soar above the jungle on one of the fastest zip lines in the world. Finally, rip up some mud on a crazy off-road circuit, be it a Polaris RZR buggy or mighty ATV, and then complete it all with a dive, zipline, or just chill in our own private freshwater cenote.

Take on the only human roller coaster: Selvatica's exclusive Tarzania that takes you through the jungle full of adrenaline.

Choose between a powerful ATV or a 4 × 4 buggy to maneuver through hairpin bends and fast trails on this Mud-Madness track !!!

The big ending will be a rewarding plunge into the cool private paradise of our beautiful cenote!
