CHICHÉN ITZÁ

by Mayab Travel

Explore the pyramids and other monuments of Chichén Itzá , Swim in an underground cenote, Stroll through the colonial city of Valladolid and admire the majesty of its most important temples and monuments in the Yucatan Peninsula.

Take a photo at the temple of Kukulcán , the largest calendar in the world and the protagonist of various visual and acoustic phenomena, such as the equinox, when the Feathered Serpent descends.

Valladolid is considered a Magical Town, a city famous for its gastronomy and for the kindness of its people; There you can find fabulous restaurants and cafes, from regional food to international dishes, as well as hostels and hotels with a colonial touch and good taste.

A good reason to visit the city are its incredible cenotes, because in the town and its surroundings there are four cenotes: Samulá Zací, Xkekén and Saamal.
